

BLOOM CENTRAL

Let your room
bloom

Arik Levy (FR)

EN

The Bloom table, and its original base, which resembles a flower in bloom, will bring a unique, lively element to your interior. Designer Arik Levy has used the traditional woodbending process in a new way. The table instantly becomes a design element and the focus of the entire room, giving it a desirable, unique touch of luxury. Bloom Central will catch all eyes in any interior, from your dining room at home to a restaurant, café or bar. The table's anatomy allows chairs to fit beneath the tabletop, which is available in round or square.
