Fawn Chair

Product facts

Materials

Solid Oak

Available finishes: White, Natural or Smoked Oak Oil

Solid Walnut

Available finishes: Natural Oil

Seat

Cotton Webbing

Technical features

Body

The chair's body is crafted from solid wood. The base is connected using characteristic, visible wedged mortise and tenon joints. Felt gliders are attached to the legs and are suitable for most types of flooring.

Seat

Lattice-woven cotton webbing is stretched over the seat frame and attached on the inner side to the chair's body.

Finish

Available in three plant-based Hardwax Oil finishes that preserve the natural appearance of the wood: White, Natural, and Smoked Oil (for the solid oak version). The walnut version is available exclusively in a Natural Oil finish.

Cleaning

Please see [Product](#) or [Material](#) page on our website.

Standards and Certifications

Fawn Chair fulfils requirements of standards BAS EN 12520:2011 - Furniture - Strength, durability and safety - Requirements for domestic seating, BAS EN 1022:2009 - Furniture - Seating - Determination of stability, BAS EN 1728:2014 + BAS EN 1728/Cor1:2014 - Furniture - Seating - Test methods for the determination of strength and durability.

Notes to consider

Variations

Natural variations in wood color and surface may occur. Regular maintenance will ensure the wood preserves its authentic beauty and can last for generations.

Product changes

Please note that Gazzda reserves the right to alter construction and design without notice.

Dimensions (tolerances)

The dimensions shown are indicative, they may vary due to the natural properties of wood, season, or manufacturing processes. Deviations from the specified size may occur, usually no more than 1 cm.

Environmental profile

Sustainable approach

One pivotal aspect of our commitment to sustainability is our firm dedication to sourcing wood only from FSC®-certified forestry. With 85% of GAZZDA products bearing the FSC® label (FSC-C130602), you can be assured of its ethical origin and contribution to preserving our precious forests.
