DAEN / ROUND TABLE,
Federico Peri

Round table, fixed top available in the following options: 6 mm porcelain stoneware combined with 6 mm bronze-coloured glass; 12 mm glass painted; white Carrara marble top 20 mm. Lacquered MDF wood feet. Glossy lacquered steel frame.

The tops are finished with protective coatings, that never make the surface impervious, but are useful to slow down absorption of liquids. Cleaning: use water and a neutral detergent on the surface. Avoid direct contact with aggressive chemicals substances, solvents, ammonia, inks, oily soaps, lemon, wine, coffee. In case of contact, rinse the surface immediately and thoroughly.

MDF: MDF (Medium-Density Fiber-board) is a wood product, the panels are obtained from very thin fibers, which are bind together with a glue material and compacted by applying high pressure.

White Carrara marble: A naturally compact material, wear and tear resistant, suitable for dining purposes, Carrara marble is treated with a clear matt protective impregnating agent. The presence of micro holes or imperfections is to be considered an intrinsic characteristic of the natural product, claims are not accepted. For the correct maintenance, we suggest to promptly remove any stains from the surface,

especially acid substances.

Stoneware: Stoneware has 6 mm thick slab, coupled with a 6 mm glass top, with a compact surface, heat-resistant, stain-resistant, fungi & mold resistant. Cleaning products and detergents-resistant, suitable for dining purposes.

Glass: 12 mm thick glass top, varnished on the back side. The easy maintenance thanks to its stain-proof qualities and ability to be washed with common detergents make it also suitable to be used for foods.
